Facing Forward: Innovation, Action, Reflection

Westin Bayshore Vancouver, April 30 – May 3, 2017

The Canadian Evaluation Society (CES) cordially invites you to participate in and support its 2017 annual conference, which will be hosted by the British Columbia and Yukon CES Chapter at the Westin Bayshore Vancouver from April 30 to May 3.

This annual event is the largest gathering for evaluators in Canada, providing them with professional development at an unprecedented scale. This year's conference is expected to attract an audience of some 400+ local, national and international participants. A high level of interest has already been demonstrated through our receipt of over 375 proposals for workshops and presentations. Please visit our website to review our outstanding keynotes and other program and conference related news items: <http://c2017.evaluationcanada.ca>.

Our sponsors are an important part of the CES Conference. This is your opportunity to promote your organization to local, national, and international evaluators, to increase the visibility of your products and services, and to demonstrate your support for evaluation in Canada.

As a sponsor, you will draw attention to your professional capabilities in program evaluation and have the opportunity to network and promote your services. You will have top exposure to our Conference participants through a variety of venues and mechanisms, including our Conference App.
